Jake: Nice, Sara. What was your favorite part of the trip?

Tom: Sara, have you ever tried skiing in the Alps?

Sara: No, I haven't. I would love to try it someday.

Jake: I have been skiing in the Alps. It was an amazing experience.

Sara: Jake, have you ever seen the Northern Lights?

Jake: Yes, I have. I saw them in Iceland a few years ago.

Tom: Wow, that must have been breathtaking. What was it like?

Jake: Tom, have you ever tasted authentic Italian pizza?

Tom: Yes, I have. I had it in Rome, and it was delicious.

Sara: I've always wanted to try real Italian pizza.

Tom: Sara, have you ever met anyone famous?

Sara: No, I haven't. But I would love to meet a famous author someday.

Jake: I have met a famous musician once. It was quite an experience.

Sara: Jake, have you ever been scuba diving?

Jake: No, I haven't. It's something I've always wanted to try.

Tom: I have been scuba diving in the Great Barrier Reef. It was unforgettable.

Jake: Tom, have you ever ridden a hot air balloon?

Tom: No, I haven't. But it's on my bucket list.

Sara: I have been on a hot air balloon ride. The view was spectacular.

Tom: Well, it's been great chatting with you both, but I have to go now.

Sara: Same here, Tom. See you later!

Jake: Bye, Tom. Let's catch up again soon.
